Magnitude⁶⁰class

More muscle without the mass... this "light-weight" Magnitude is ready for "heavy-duty" action!

- True 60 tons capacity in 12 ft (GAWR and tire ratings determine legal payloads)
- Available in tridem and tandem bogie models for maximum flexibility
- All main longitudinal members fabricated with 100,000# steel (Super-strong for longer service life)
- Fastest, most versatile hydraulic removable gooseneck in the industry! (You can even connect the gooseneck to the trailer on uneven ground!)
- 5-Position front ride-height adjustment (No fooling around with shims or loose components)
- 2-Position kingpin settings—81" and 101"
- Bolt-on gooseneck jack (Saves maintenance time and money)
- Apitong wood flooring
- 2 forward recessed storage areas with lockable covers
- 26 heavy-duty outriggers
- 34 D-rings for strong, convenient securement
- Heavy-duty modular bogie connection with shims for easy weight transfer adjustment
- Raised outboard beams for superior ground clearance
- Your choice of 54.5" or 60" axle spreads
- Boom trough with V-pan in bogie
- 5-Position rear ride-height control system
- Suspension dump valve for greater convenience
- LED lights for reliable, trouble-free performance
- Battery powered LED strobe light system
- Mounting lugs, air and electrical quick connections for spreader or flip axle installation

...and so much more. See your local Fontaine Heavy-Haul Dealer today and let's get to work!

Modular Deck Options*

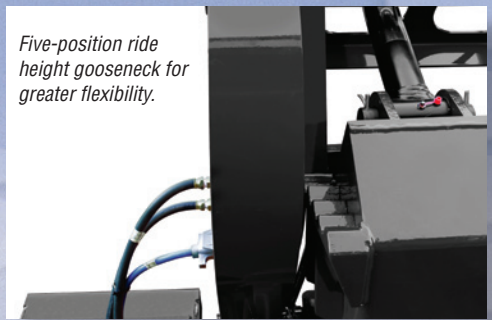

Flat Level Deck (MFLD) 24,990 lbs +/- 3%

Drop Side Rail (MDSR) 24,870 lbs +/- 3%

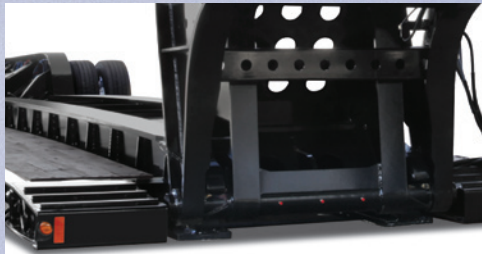

Beam Deck (MBMD) 22,080 lbs +/- 3%

*Weights shown are for tridem bogie models

60 Class

Five-position ride height gooseneck for greater flexibility.

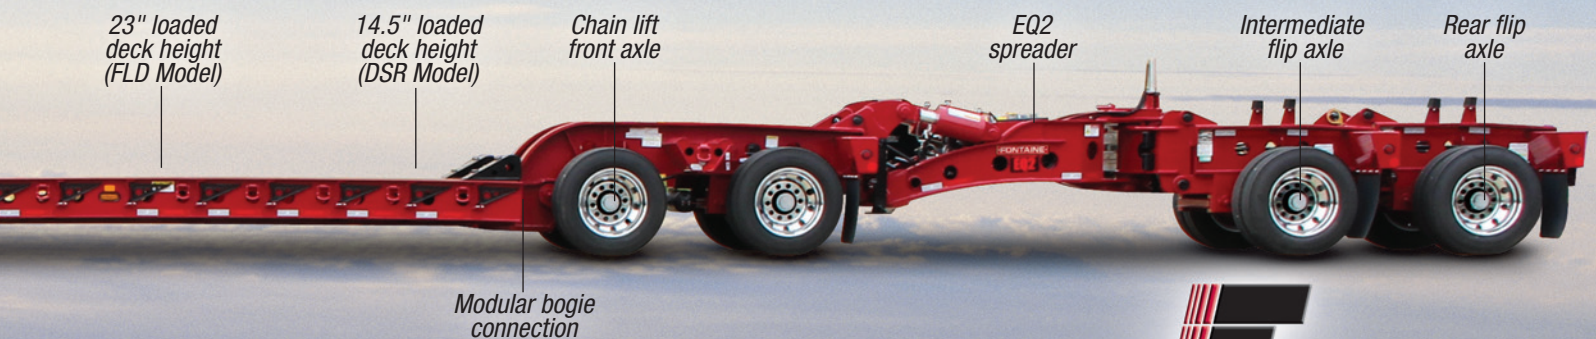

Most versatile gooseneck in the industry—you can connect or disconnect on uneven ground. It's fast and easy!

Modular bogie and bolt-on bogie ramps are standard.

Five-position rear ride-height control system for greater convenience.

23" loaded deck height (FLD Model)

14.5" loaded deck height (DSR Model)

Chain lift front axle

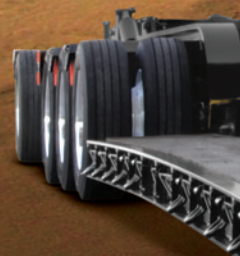

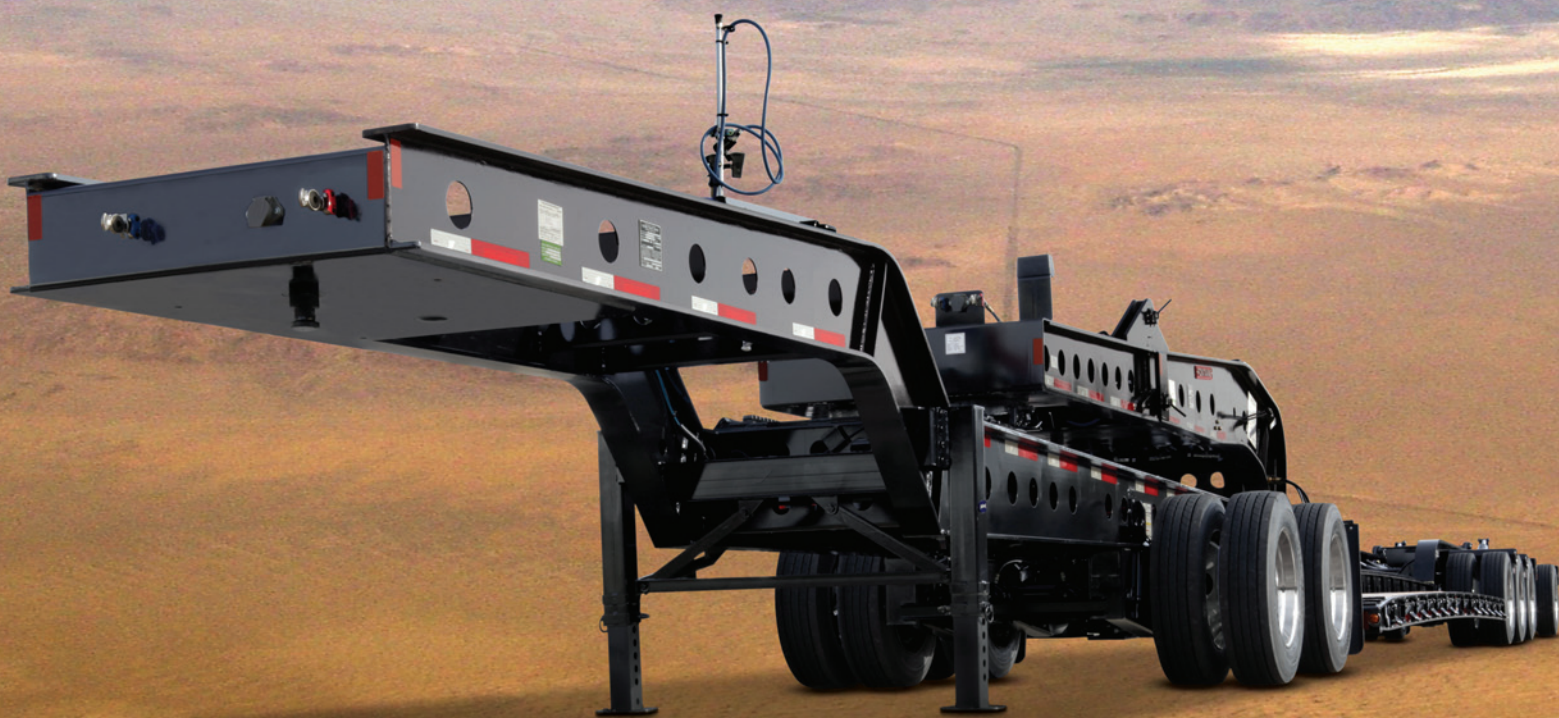

Modular bogie connection

EQ2 spreader

Intermediate flip axle

Rear flip axle
